

The Fantasy World of Airbrush

29./30. August 2026

Information

Dear airbrush enthusiasts,

Let's get started! We've finally received the green light from the organizers of the US Car Show, and we're thrilled to officially invite you to FANTASY WORLD OF AIRBRUSH 2026.

The event will take place on August 29 and 30, 2026, as always at the Eissporthalle in Greifrath on the Lower Rhine. It would be great if we could once again welcome over 60 airbrush artists to Europe's largest airbrush exhibition this year.

WAIT, actually, 60+ artists aren't enough for us this year: As you know, the current organizers, Hugo and Daisy, are gradually stepping back from the airbrush show business due to their age. That's why they would be delighted to see as many exhibitors as possible again while they're still involved—especially those who may not have participated in the exhibition for several years. But of course, we also want the “regulars,” without whom the show would be unthinkable, and let's not forget the “newcomers” who may have only been visitors in recent years: We want to make the FANTASY WORLD OF AIRBRUSH 2026 a very special airbrush family event, and YOU absolutely must be there as an exhibitor.

FANTASY WORLD OF AIRBRUSH at a Glance

The exhibition takes place as part of the US Car & Bike Show, which attracts more than 9,000 visitors every year. Around 1,000 cars gather on the outdoor grounds surrounding the ice rink. The US Car Show's route system first guides visitors from the entrance through the Airbrush Show and then out onto the outdoor grounds, making the Airbrush Show the centerpiece of the event. The Airbrush Show showcases all aspects of airbrush technique and application—from custom painting and fine art to clothing and models—and is always open to other art forms as well. Thanks to its central location on the A40, the Greifrath site (between Venlo and Duisburg) is attractive and easily accessible to visitors and artists from both Germany and abroad.

What does a booth at FANTASY WORLD OF AIRBRUSH look like?

- The basic booth module measures 3.5 m x 3.5 m and is partitioned by Heras fences (2 m high). You decide the size of your booth (subject to availability)
- Electricity for standard use (e.g., compressor, lighting; no coffee maker), tables, and chairs are included (subject to availability).
- The booth fee for artists is 60 euros (regardless of size).
- If you wish to share a booth with one or more artists, each co-exhibitor pays an additional fee of 20 euros per person (max. 3 exhibitors per booth).
- For commercial exhibitors (e.g., airbrush retailers), the fee is 300 euros for a basic module, 550 euros for 2 modules, and 800 euros for 3 modules (up to 5 artists as co-exhibitors included)

What should you bring?

- Your paintings, vehicles, models, and other painted objects
- An easel and your airbrush equipment so you can paint on-site and visitors can watch you.
- Fabric to cover the construction fences and decorate the tables (preferably black; small quantities can be borrowed on-site)
- Hooks and tape for hanging your artwork
- Lighting and extension cords
- If you have the opportunity to bring your own tables (e.g., a painting table) and (folding) chairs, we would greatly appreciate it, as on-site supplies are limited and expensive.

When should you arrive?

- Setup is on Friday, August 28, 2026, from 9 a.m. to 8 p.m. Setup involves not only your own booth but also helping to set up the fences if you can arrive early.
- On Saturday and Sunday, the exhibition is open to visitors from 10 a.m. to 6 p.m. On Sunday starting at 6 p.m., everyone will work together to set up their own booths and then take down the fences.

What else can you expect?

- On Saturday evening, there is always a group dinner (at your own expense). You will receive more detailed information about this well in advance of the event.
- Lots of conversations, chatting, and exchanging airbrush tips with like-minded people
- A friendly and international atmosphere
- Lots of fun and inspiration!
- Around 9,000 interested visitors.

When should you register?

Right now, either via the online form at www.airbrush-show.com or using the attached form. **The registration deadline is June 14, 2026.** For first-time exhibitors, we reserve the right to review the registration.
